Nigger Mike Wins at 100 to 1—Jockey Miller Receives an Ovation, but Rides No Winners—Another Race for Angler.

New York, July 25.—Walter Miller's reappearance in the saddle on Lad of Langden in the first race was hailed with delight by an enormous throng of hero worshippers at Brighton Beach today. The grandstand indulged in a continual round of hand-clapping for the popular jockey idol during the parade to the post and the fielders cheered themselves hoarse. The lightweight rider, however, could do no better than a good second to the 100 to 1 shot Nigger Mike. Three supposed factors in the race—Moya, Smiling Tom and Pierrot—were removed by crowding at the start and Waterbury, the grand looking half brother to Kenilworth and Old England, the most highly considered, simply qualified for some stake race later on. He ran green, apparently, his jockey Shaw, having to take him up repeatedly to keep him from running into horses.

The steeplechase that followed was a chapter of accidents and incidents that kept the crowd on their feet yelling and cheering from start to finish. There was a bad mixup at the first jump which the entire field approached closely bunched. Kassil and Grandpa, respectively first and second choices in the betting, singled out by themselves and the race was thereafter confined to this accomplished pair of cross-country performers. Mr. Hayes, for form's sake, lodged a claim of foul against the winner, but it was disallowed.

Another mixup occurred in the third race, a mile and a sixteenth selling affair. Orly, the favorite, fell when within striking distance of the winning goal and his jockey, Troxler, sustained injuries sufficiently serious to send him to the hospital, though he has no bones broken. The winner turned up in the suddenly improved Embarrassment, which got up, unperceived by Koerner, on the inside of Earl Rogers and won out right at the end. Barney Schreiber's colt led from the start and seemed a sure winner when a furlong out, where his jockey took an easing up pull on him with disastrous results.

Hitchcock and Madden's added starter, the recently purchased Salvadore, won the Montauk Stakes for two-year-olds, at six furlongs in stake horse fashion from the unlucky juvenile Electioneer. The defeated half brother to Maximo Gomez and Tommy Atkins was backed for a mint of money at odds-on and his victory was considered a foregone conclusion by the wise contingent. Billy Lakeland's big and long-striding youngster pulled up lame as did McCarter, but in a lesser degree.

Angler, the quondam selling plater was in his rightful element today. The brilliant Sir Dixon four-year-old was not extended to dispose of the handicap horses opposed to him in the fifth race.

Jockey Herman Radtke incurred the displeasure of the starter while at the post in the first race and was set down for three days. He will go back to Saratoga to gallop the Rainey horses.

The H. M. Ziegler string, in charge of trainer Hughes, pulled out for Saratoga at an early hour this morning.

The number thirteen was conspicuous in connection with the victory of Nigger Mike. John J. Kenny, his owner, is a saloonkeeper at No. 13 Pell street, Manhattan. The colt's program number was thirteen and he drew ninth position at the post. It was the thirteenth day of the meeting. Mr. Kenny says he won \$5,200 on the race, making thirteen \$4 bets. George Mathers, the well known clubman, ventured \$5 with Leo Mayer against \$1,500 because he has a coachman who is known as "Nigger Mike." Billy Porter was another lucky investor, the total of his winnings being \$8,200. The majority of the 250 layers were left with clean sheets after the race.

Steeplechase jockey Donohue sustained a broken collarbone as the result of his fall with the Doctor in today's steeplechase. Arabo made his first appearance as a jumper in this race.

Judge Joseph A. Murphy and Starter Mars Cassidy, officials at the recent Salem meeting, were visitors at Brighton Beach today.

Five of the twelve three-year-old fillies that started in the last race today were bred at J. R. Keene's Castleton Stud in Kentucky. They were Ballotta, Bribery, Cassandra, Hocus Pocus and Pythia.

BELMONT IS AFTER THE DERELICTS.

New York, July 25.—It was reported at the track that August Belmont had written a letter to the National Hunt and Steeplechase Stewards that if they could not find time to attend the tracks on days when cross-country races were to be contested, he would take the jurisdiction of the steeplechase events out of their hands and turn it over to the regular stewards.

HAVANA TRACK IS NEARLY COMPLETED.

New York, July 25.—Secretary Hernandez of the Cuba Jockey Club, is here in the interest of the meeting which will be opened at the new track near Havana in December. He will remain until after the meeting at Saratoga. "The building of the plant is rapidly approaching completion," said Mr. Hernandez, "and I think it will be one of the

handsomest, although, of course, not one of the largest, on this side of the Atlantic. I think its location could not be more nearly perfect. It is exactly eighteen miles from the heart of Havana, and is reached by trolley lines. The plant is at the foot of a little range of hills, or a sort of plateau, and is near a pretty little village, which promises to become popular as a resort.

"We have 175 acres, and were enabled to get the land cheap from our treasurer. He bought it ten years ago, and notwithstanding the value has greatly increased since then, he let the club have it for the figure at which he bought it. There is little grading to be done, and the draining facilities will be provided with little trouble or expense.

"The track is a mile and a quarter in extent and we have ample room for chutes and extensions should we find that they are necessary. Work on the buildings, the grandstand, clubhouse, paddock, jockeys' quarters and stables has been under way for some time, and I think the turfmen who go there from this country will be surprised at the elaborate scale on which we have started.

"We have every reason to believe that we will be successful if we can get the co-operation of the horsemen of this country. Several of your most prominent and widely known owners were in Havana last winter, and I talked with them regarding the outlook for racing there. They all agreed it was an idea which would meet with encouragement, and that if the excellence of the climate and the pleasure of a winter meeting there could once be demonstrated we need have no fears for the future."

TRACK BUILDING AT MONTREAL.

Montreal, Que., July 25.—All of the grading for the new track of the Montreal Jockey Club has been done and the one hundred teams and two hundred men under the supervision of the White Construction Company are now engaged in putting on the top dressing. The structural steel for the grandstand is promised for delivery by August 15 and the entire plant will be completed long before winter sets in.

OPEN RING WORKS WONDERS AT SEATTLE.

"This season, with from ten to fifteen books in the ring all the time, and all syndicate business cut out, the racing has surpassed all expectations," says the Seattle Post-Intelligencer of the meeting at The Meadows. "The crowds are large and the fact that a bookmaker is forced to the wall is not considered an uncommon thing."

ENGLISH SALES OF 1906 MOST HEALTHY.

Newmarket, England, the real home of the thoroughbred, has had a remarkable blood stock sale recently and the event clearly demonstrated that at least in England the racehorse maintains his monetary value and his undying popularity. It was an exceptionally brilliant sale, for a large breeding establishment, Mr. Musker's, was disposed of besides several other choice lots. Buyers were there from all parts of the world and there was brisk competition for every animal offered. In all eighty lots were sold of Musker's stud and for a total of \$318,750, which gives an average of \$3,750 each. Brood mares brought more than \$250,000, stallions \$50,000 and two-year-old fillies, perhaps purchased for the stud, about \$18,000. The highest price was \$37,000 and this was reached twice. This sum was paid for Baroness La Fleche, which, it will be remembered, brought \$26,000 as a yearling, by Sir Robert Jardine. She is by Ladas out of the famous La Fleche, winner of The Oaks, and she had with her a filly foal by Melton while she is stunted to Henry I., an untired sire and only a moderate performer in his day. The other \$37,000 was paid for Flying Lemur, a stallion and own brother to Flying Fox. His purchaser was M. Luczenbacher, and he goes to the Continent.

Rock Sand, recently imported by August Belmont, is well regarded by English breeders, for a mare in foal to him brought the fine figure of \$8,750. She is Simene, by St. Simon, and her buyer was Harold Musker. A remarkable coincidence, too, was that Sainfoin, sire of Rock Sand, changed owners, but the old horse only fetched \$3,900. He is now nineteen years of age and sixteen years have passed since he won the Derby. R. C. Dawson was the purchaser.

Besides the Musker stud the other sales amounted to \$110,000 and a lot by Lord Clonmel made \$42,500, or an average of \$4,250. Lord Clonmel sold Lady Offaly, by Bon Frere, out of Gretchen, with a colt foal by Gallinule, to M. Casares for \$2,900, and St. Helena by St. Florian, out of Dervorgill, with a filly foal by Isinglass, to Count Lehndorf for \$6,250. Vortex, by St. Angelo, out of Whirlpool and in foal to Gallinule brought \$10,500. Rose Blair, by Blairfinde and Carafe by Best Man from the same stud brought \$2,250 and \$2,750 respectively, they going to foreign buyers. Ladasia, by Ladas, out of Countess Lillian, went to M. Casares for \$5,250. Auricula, a mare by Goldfinch, a son of Ormonde and stunted to Zinfandel brought \$12,000 for Donald Fraser.

Another high priced lot was Helen Hampton, by Hampton, with a filly foal by Orme and in foal to Persimmon, and she was knocked down to Count Lehndorf for \$6,250. Another mare in foal to Persimmon was Musidora and she brought \$3,750. The next really high price was \$16,000, paid by Mr. Houldsworth for Temple Hill, an own sister to Galtee More, and she had a colt by Melton and is in foal again from the same horse. Others to fetch good money were Cyna, an own sister to Cyllene, bought by M. Blane, the famous French racing man, for \$7,250; Kyle Rose, by Melton, out of Kylesker, to the Marquis de Ganvay, \$5,000; Lilla, by St. Simon, out of Melody to the Duke of Devonshire, \$4,500, and Matterhorn, by Melton, to Sir Ernest

Cassel, \$5,250. The stallions Admiral Breeze and Chevening brought \$4,500 and \$6,250.

Of the horses in training, Mr. Musker's lot included thirty-two, nearly all of them being maiden two-year-olds, and they made a total of \$37,775. It was understood that among the lot were several rare bargains. Gilbert Handley, by Melton, out of Dunover, was bought for \$3,200, and whether or not he wins anything on the turf, he is likely to have some stud value. A filly by Melton, out of Minerva, was bought by Lord Marcus Beresford, manager of King Edward's racing stable, for \$2,000, and later in the sale he paid \$6,000 for a colt by Diamond Jubilee, out of Tears of Joy. A filly by Melton, out of Baroness La Fleche, brought \$7,750.

Yearlings owned by the late Sir James Miller were put up, and six by Chaleureux made a total of \$5,800 only, more than half the sum being paid for a colt out of Ishia, the price being \$3,550.

Sainfoin's stock did pretty well, two fillies and a colt by the sire of Rock Sand making a total of \$13,450. For a filly out of Countess Macaroni M. Tessio gave \$1,950, and another filly out of Aida brought \$6,000. A colt by Sainfoin, out of Tannistickor, was bought by Baron de Forest for \$5,500. W. Clarke gave a fancy price of \$7,750 for a filly by Ayrshire, out of Pink Flower. Half a dozen yearlings, owned by Lord Dunraven, made a total of \$4,050.

A real sensation was caused by the sale of a Persimmon filly, out of Lucious, the purchaser being Lord Hamilton, of Dalzell, and the price \$10,500. She is a half sister to Cream Tart, not a great performer by any means, but the fact that fillies by the King's horse command good prices if at all good looking has been caused by the work of Skeptic and Keystone II. Major Loder, owner of Spearpoint, this year's Derby winner, and the world famous Pretty Polly, led in four fillies which brought in a high average. Two were by Laveno; one of these, out of Cat Bird, brought \$2,500, while the other, out of Chinook, made \$3,750. A colt by Wildflower went for \$5,550, and lastly, a colt by Gallinule, sire of Pretty Polly, out of Mast Head, was bought by P. P. Gilpin for \$5,500.

EDWARD CORRIGAN'S YEARLINGS.

Horsemen who have seen Edward Corrigan's collection of yearlings, recently brought from his breeding farm in Kentucky to Hawthorne track, where they are now being broken, say that it is an exceptionally good looking group of young thoroughbreds. There are fifty-nine of them, twenty-five colts and thirty-four fillies. OPTIMISTIC AS TO SALEM'S FUTURE.

"It is believed," observes the Morning Telegraph in the course of comment on the recent meeting at Rockingham Park, "that the campaign of education is well begun, and that the halibound New Englanders will look with much more favor on the sport than they did before."

SEAGRAM HORSES GO TO SARATOGA.

Toronto, Ont., July 25.—The Seagram horses were shipped to Saratoga from here today. The string consists of Merry England, Cloten, Inferno, Sir Ralph, Slaughter and the two-year-olds Sour Sack, Main Chance, Purslave, Lyndhurst, Ambery, Babbling Brook and Aqua Tint.

WILL OPEN ON LABOR DAY.

THIRTY DAYS MEETING AT DOUGLAS PARK EXPECTED TO BEGIN SEPTEMBER 3.

Latonia Meeting To Be Extended to September 1—Nathanson to Be Secretary at Louisville Track

—A. T. A. Grants Many Licenses.

Cincinnati, O., July 25.—It has not been so stated by any officials of either the American Turf Association or the Western Jockey Club, but it is quite certain that it has been agreed that the present meeting at Latonia will be extended to Saturday, September 1, and that Douglas Park will open in Louisville on Monday, September 3, Labor Day, for a meeting of thirty days. A. W. Hamilton will be the presiding judge at Douglas Park and Martin Nathanson will fill the position of secretary. The other officials will be announced after the August meeting of the Western Jockey Club. Mr. Nathanson will again fill the office of secretary at the old track in New Orleans. A. B. Dade will do the starting there and Messrs. Frank Bryan and Clarence McDowell will fill their usual positions in the judges' stand.

D. H. Barnes, one of the signers to the agreement dividing the dates at New Orleans next winter, arrived from New York today. He said that the meeting of the parties to the transaction was entirely harmonious. The choice for opening was decided by flipping a coin.

Secretary McAllister, of the American Turf Association, says the license committee of that body met today and passed upon the application of numerous trainers and jockeys. More than one hundred were granted licenses. The application of jockey Treubel was denied and that of jockey W. Buchanan was passed for future action. The application of Frank Ferrell, who was mixed up with D. Hall and Adkins in the Davis imbroglio three years ago in California, was also referred for future action.

The attendance and sport at Latonia today was good. In the steeplechase, however, the usual mishaps attended the running. Arc Light upset calculations by winning in the easiest manner possible. Snowdrift ran out of the course. Charavind, at the last obstacle, stepped into a hole and broke down. Dalesman had come to grief early. There was little contention on the part of Modredlaw in the final drive and Subador got second place in easy style.

Sister Frances, rated as one of the best sprinters in the west, made her farewell appearance here prior to her shipment to Saratoga and ran a sparkling race, winning impressively from the much-improved Meadowbreeze.

Nonie Lucille found her speed today and, stranger still, maintained it for the six furlong trip with consummate ease, winning as his rider pleased. She ran with a burr on today and maybe this explains her improved showing. C. C. McCafferty became her owner after her victory by bidding \$200 more than her entered price of \$1,200.

James Arthur was deprived of a purse and probably missed landing a good sized bet in the closing race because of "Hold-on Jimmy's" failure to let go of Lady Charade's head when the barrier was released. The filly was much the best and with an equal start would have won off by herself.

Jockey George Wilkerson, who is related to Tommy Griffin, arrived here today and will try to secure mounts. He weighs at present about 107.

BRAND NEW PULLS UP LAME.

Buffalo, N. Y., July 25.—Five of the six races at Fort Erie today were selling affairs, but the contests were keen and exciting. Two favorites and four well backed second choices won.

Wing Ting, thought to have the second race at her mercy, went to the post sore and during the race could not raise a respectable gallop.

Brand New pulled up lame and it will be a long time before the son of The Commoner will race again.

"LUCKY" BALDWIN IS IMPROVING.

"Lucky" Baldwin is still at Fort Rouge, Manitoba. Dr. Pease, his physician, says there is improvement in his condition and that he may be able to return to his ranch near Los Angeles in the fall.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

A. J. W., Toronto, Ont. The wager on Ray's mount lost.

J. J. K., Chicago. The prices published were correct and as laid at the track.

F. A. P., Chicago. The quotation should have read 7 to 20. The horse was heavily backed place and show.

H. H., Chicago. With two horses scratched, your parlay was resolved into a single bet on the third and you were entitled to payment on the basis of the 10 to 1 limit.

R. B., Chicago. There is only one Orly running. He is English-bred and over there is rightfully Orly II., but not in this country. Some publications ignorantly call him Orly II.

J. R., 21, Chicago. If the bookmaker did not notify you that added starters run for his book, or had not at some other time done so, your wager on Electioneer won at such reduced odds as would result from the deduction of the winner's price.

Embarrassment, away slowly on the inside, closed a gap in a twinkling on the backstretch, finished with a rush and caught Kerner, on Earl Rogers, napping and scored a lucky win. The latter outbroke and outpaced his opponents decisively and had the race won, when his rider looked around and eased him up in the final sixteenth. Hyperion was in forward and game pursuit throughout and finished resolutely, but tiring. Champlain showed good speed for seven furlongs and is about due. Benevolent, held at the post, got away poorly, was shut off and pocketed repeatedly and had no chance. Mary Morris suffered from crowding at the start and was carried wide on the turns. Phalanx developed superior early speed and ran as if short. Only, on the extreme outside at the start, went very wide and was bumped into and fell on the last turn when having an evident chance to win.

Scratched—63693 Sir Caruthers, 91; 63642 King Henry, 90.

Overweights—Embarrassment, 1 pound; Gold Badge, 3.

Winner—Ch. g. by Belvidere—Sallie of Navarre (trained by J. E. Madden).
Went to post at 3:55. At post 2 minutes. Start good. Won easily; second driving; third the same. Salvidere broke well, ranged alongside the pacemaker early and, when straightened away for home, came away with a rush and is a superior class colt. Electioneer, long striding and a slow beginner, lost ground on the sharp turns, but came very fast in the stretch, ran like a coming crackerjack and is sluggishly inclined, but very game. Don Enrique, on the outside and trailing in the early running, closed up very fast in the stretch and ran a grand race. McCarter forced the early pace, but tired in the final sixteenth and was crowded slightly in the stretch.
Scratched—(63746) Rosemount, 107; 63794² Alethea, 107.

Winner—B. c. by Hindoo—Alga (trained by J. D. Odum).
Went to post at 4:25. At post 2 minutes. Start good. Won in a canter; second driving; third the same. Angler, hard held, indulged the early pacemaker with the lead to the half, where he ran to the front and, stalling off Outcome's stretch challenge with great ease, came away and won easily. Outcome moved up like a flash on the far turn, but was unable to seriously menace the winner in the stretch, yet ran a grand race. Corrigan, choked back in the first part of the race in an effort to place him, ran forwardly to the last turn, where he shot wide and finished fast, but boring out. Tartan loomed up momentarily on the far turn, where he went his bolt. Cederstrom made the early running on sufterance, but retired quickly when the real racing began. Agile, interfered with early, was hopelessly outclassed from the start.
Scratched—63795² Lord Badge, 97; 63819 Amberjack, 87.

Winner—B. f. by Watercross—Carina (trained by A. J. Joyner).
Went to post at 4:50. At post 2 minutes. Start good. Won driving; second and third the same. Cressina bunched her way through close quarters in the early running and, after strenuous and persistent pursuit of the flying leader, got up and headed her right at the end. Pythia raced into the lead at the start and made the running under a pull for five furlongs and, although tiring slightly, was not really extended when Cressina passed her, was best, but given a very bad ride. Mollie Donohue maintained a forward position from the start and finished with a rush in an extra good effort. Bribery, away badly, closed a big gap, running a surprisingly good race at the weights. Ballotta steadily improved her position from an indifferent start, but lacked early speed after her recent longer races. Cassandra failed to stay. Aya was never dangerous.

Winner—Blk c. by Isidor—Barnald II. (trained by J. Lally).
Went to post at 2:20. At post 2 minutes. Start good. Won handily; second driving; third the same. Bottles began slowly, but moved up rapidly under strong urging and, wearing down Handspike in the final furlong, won drawing away. Handspike showed the most speed for the first five furlongs and lasted well in the final drive. Electad ran a poor race and lacked early speed, tiring badly after going a half. Liphardt was gaining and going fast near the end. Jack O'Malley closed a gap and finished fast. Tolleratherer was in a contending position when he ran out on the stretch turn.

Winner—B. g. by Mithral—Belle Hoyt (trained by L. Jones).
Went to post at 2:59. At post 2 minutes. Start good. Won driving; second and third the same. Glassfull, well ridden, followed Albert Fir closely for the first seven furlongs, wore him down in the stretch and won going away. Albert Fir, showing sudden and great improvement and much speed, was a fast and game contender throughout, tiring slightly in the final sixteenth. The Gadfly saved ground on the stretch turn and, finishing gamely, was going fast at the end. Oddoletta, poorly handled, was in close quarters during the early running and was taken wide after going a half and tired in the final drive. Labor seemingly was boring out for the first three-quarters and finished gamely. The Laurel had scant chance with an incompetent rider. Cotillion ran well to the stretch and tired. The Laurel had scant chance with an incompetent rider. Cotillion ran well to the stretch and tired.

Went to post at 3:28. At post 2 minutes. Start good. Won handily; second driving; third the same. Sister Frances had to be hard ridden in the early stages to keep up the leader, but steadily wore the latter down and won going away. Meadowbreeze, showing steadily improved form, displayed the most early speed and stayed well in the final drive, but was not good enough to beat the winner. Dr. Turner came with a rush through the stretch and finished going fast. El Otros was always outrun. La Pucelle tired badly after going five furlongs and can do much better.

Winner—Ch. c. by Shapell—Golden (trained by J. Arthur).
Went to post at 3:58. At post 1 minute. Start good. Won easily; second driving; third the same. Arc Light trailed the others for the first turn of the field, then moved up rapidly when called on and won going away fast and easing up through the stretch. Subador fenced well and led to the final jump in the field, where he tired. Modredlaw could not keep up through the field and tired badly in the final drive. Charawind was going the early running and was taken wide after going a half and tired in the final drive. Snowdrift ran out while in a contending position and is an uncertain racing proposition. Dalesman fell early and is a bad jumper.
Scratched—(63828) Gould, 152.

Winner—Ch. f. by Bradwardine—Duchess of Kilwardin (trained by H. M. Davis).
Went to post at 4:24. At post 2 minutes. Start good. Won easily; second driving; third the same. Nolie Lucille showed suddenly improved form, set a fast pace and, running straight throughout, won with

plenty in reserve. Mayor Johnson, hard ridden all the way, ran a good race and finished gamely. Sand Bath, also showing improved form, was a forward contender all the way, only tiring in the final strides. Daring ran poorly and closed up but a small gap under a hard ride. Tom Crowe ran a fairly good race. Lightburn showed early speed.

Scratched—63852 Cambridge, 92; 63550 Adesso, 101; 57967 Fast Flight, 98.

Overweights—Mayor Johnson, 3 pounds; Fiasco, 4.
